- Front sway bar
- 6-speed + 1 manual gearbox
- Automatic cab climate control
- Driver and passenger airbags
- 90 l diesel tank
- Electrical power windows
- Heated, electrically adjustable rear view mirrors with wide angle and radio aerial integrated
- LED day running lights, headlight levelers
- Driver's cabin with dashboard with briar-effect inserts, instrument panel with chrome profiles, air vents with aluminium finish, carpet
- 12 V and USB outlet in cab (max 180 W)
- Two speakers in cab
- Swivel cab seating with armrests, seatbelts, adjustable in height, backrest and fabric coordinated with living room
- Adjustable height steering wheel, steering wheel and gear lever in real leather
- Steering wheel radio control
- 16" Alloy wheels, Fiat original parts, Heavy chassis
- Eco Pack: Start&Stop, intelligent alternator control, electronically controlled fuel pump

DESIGN & BODYWORK

- Polyurethane wall and roof framework, high insulation in extruded polystyrene foam (XPS), roof lined in hail protection fibreglass, aluminium external walls, anti-yellowing
- Double floor with total fibreglass cov-

- ering and complete insulation, heated and lightened cavity with external and internal access to the floor
- Highly insulated and heated overcab and cab/living area connection areas
- LED automotive rear light
- High quality frame windows with silver polyurethane frame, blind and mosquito net
- Premium living space door with two-point closure with remote control, window, blind, storage compartment and sliding mosquito net
- External LED light
- Electrical step with acoustic warning when the engine is running and recall directly from the dashboard
- Coated aluminium car side skirts including maxi hatches dedicated to external access to the double floor and gas stop pistons
- Centralised cab and living space door closure
- Garage with a payload capacity of 250 kg, lowered, heated and insulated loading surface, with two large hatches, floor insulated, 12V, 230V sockets and TV, dual LED lighting, coat hanger rod with sliding rings, fixing bars with rings, two storage nets
- Garage door open dashboard warning light

KITCHEN & BATHROOM

- Large 160 l trivalent refrigerator with automatic energy source selection
- Large kitchen with scratch and fingerprint resistant Corian top, integrated double sink and dish rack, large worktop, sink cover that can be used as an additional shelf and diffused lighting
- 3-burner stove
- Gas oven
- Large kitchen storage spaces with drawers and pull-out baskets with automatic soft-closure drawers
- Ideal ventilation thanks to the roof-light, extractor hood and opening window
- 230 V outlet in kitchen
- Large sized bathroom sink in nautical

style porcelain material with soft-touch effect

- Shower, XL, 200 cm high with internal white/blue lighting, double drain plug, wooden footboard, towel rod and household type smoky door with chrome profiles
- Dual bathroom light switch: inside and outside bathroom
- Toilet with swivel cup and removable cassette 18 litres (frost-resistant)
- Bathroom door also to be used as a separation for the centre of the vehicle
- Toilet with wooden furniture, mirrored wall cabinets, window and roof-lights

SYSTEMS

- Performance-optimised convector heating, Laika exclusive, with radiant elements positioned in all areas of the vehicle to guarantee maximum comfort in all conditions with certification obtained in chamber tests
- Programmable heating
- Rear area heating regulation system
- Heat exchanger
- High-tech, 100% LED lighting design system, mostly all dimmerable, with light on/off outlets in different positions
- Fully antifreeze water system
- Increased water tanks positioned on heated panels
- Pressurised water pump with expansion vessel, high quality single lever metal faucets
- Water system easily accessible from the rear garage for every inspection, cleaning and maintenance operation
- Gas system with anti-crash sensor and automatic cylinder exchanger
- Two USB outlets in the rear bedroom and one USB outlet in the living area
- Automatic 20 A battery charger

EQUIPMENT

INTERIOR & COMFORT

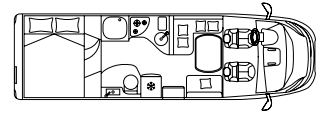

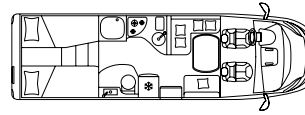

- Indirect multi-level lighting in living room, kitchen and bedroom, dimmable, for individual management of the atmosphere on board
- Comfortable internal headroom with 210 cm for maximum airiness
- Insulated/upholstered ceiling with elegant Laika-Iso-Deluxe material
- Single level flooring without stairs
- Furniture design Noce Italiano
- Firenze upholstery with stain protection treatment
- Large wall units with exclusive, high quality mechanical components and indirect interior lighting
- Wall units in kitchen and living room with exclusive "Bianco Carrara" coating, soft-closures
- Living room with upholstery and home comforts, adjustable headrests, cushions with removable lining and indirect lighting
- Ergonomic table with moving table top and easy handling
