

KREOS 7000 MOTORHOMES

STANDARD KREOS MOTORHOMES 7000 DATA

Standard chassis		Fiat Ducato 43 Heavy AL-KO
Engine displacement	cc	2.287
Maximum power	kW (hp)	103 (140)
Towable mass ^(H) ^(I)	kg	2.000
Fresh water tank capacity (antifreeze) ^(K)	l	120 + 20
Waste water recovery tank capacity (heated and anti-freeze) with external vent	l	140
Water heating system	kW	6

Model shown: Kreos 7009

EQUIPMENT

CHASSIS

- Fiat Ducato Heavy chassis, AL-KO, Turbo Diesel Common Rail, Euro 6d Temp
- Front wheel drive
- AL-KO chassis with enlarged rear track and reinforced suspensions
- Electronic Stability Control: ESP specific for campers, ABS, EBD, Traction+, Hill Holder, Hill Descent, Roll Over Mitigation
- Cruise control
- Front sway bar
- 6-speed + 1 manual gearbox
- Automatic climate control
- Driver's and passenger's airbag
- 90 l diesel tank
- Electrical power windows
- Descending rearview mirrors with integrated radio antenna, double wide-angle lens, heatable and with individual electrical adjustment
- High-performance Xenon front lights, dynamic direction indicators and LED daytime running lights, headlight levellers
- Cab carpeting
- Cab interior lining according to nautical model, dashboard in leatherette pieces with stitching and briar effect applications
- 12 V and USB outlet in cab (max 180 W)
- Two speakers in cab
- Swivel cabin seats with armrests, integrated seat belts, height adjustment, backrest and liners coordinated with living
- Driver and passenger sunshade with automatic return (a)
- Alloy wheels 16", Fiat original parts
- Eco Pack: Start&Stop, intelligent alternator control, electronically controlled fuel pump
- Steering wheel and gear lever in real leather
- Steering wheel radio control

DESIGN & BODYWORK

- Polyurethane wall and roof framework, high insulation in extruded polystyrene foam (XPS), roof lined in hail protection fibreglass, aluminium external walls,

- anti-yellowing
- Double floor with total fibreglass covering and complete insulation, heated and lightened cavity with external and internal access to the floor
- Driver's cab fully thermally and acoustically insulated from the engine compartment and heating even above the dashboard
- LED automotive rear light
- Fibreglass monobloc front panel with large engine hood, aluminium car grille
- Driver's door in cab: double closure, safety lock in open position, end-outline marker lamps and courtesy lighting
- High quality frame windows with silver polyurethane frame, flat window pane, blind and mosquito net
- Premium living space door with central closure and two-point remote control, window, blind, storage compartment and sliding mosquito net
- External LED light
- Electric step with acoustic warning when the engine is running and recall directly from the dashboard
- Coated aluminium car side skirts including maxi hatches dedicated to external access to the double floor and gas stop pistons
- Centralised cab and living space door closure
- Garage with a payload capacity of 250 kg, lowered, heated and insulated loading surface, with two large hatches, floor insulated, 12V, 230V sockets and TV, dual LED lighting, coat hanger rod with sliding rings, fixing bars with rings, two storage nets
- Garage door open dashboard warning light

KITCHEN & BATHROOM

- Large 160 l trivalent refrigerator with automatic energy source selection (AES), High Performance Cooler system
- Gas oven
- Large kitchen with scratch and fingerprint resistant Corian top, integrated double sink and dish rack, large worktop,

- sink cover that can be used as an additional shelf and lighting
- Ideal ventilation thanks to the roof-light, extractor hood and opening window
- 3-burner stove
- Large storage spaces with drawers and pull-out baskets complete with assisted retraction
- Bathroom door to be opened at 180° and also to be used as a separation in the centre of the vehicle
- Toilet with wooden furniture, mirrored wall cabinets, window and roof-light
- Large sized bathroom sink in nautical style porcelain material with soft-touch effect
- Additional sliding curtain to conceal the toilette area (with bathroom door open)
- XL-shower with internal white/blue LED lighting, towel rod, two removable shelves for clothes, double drain plug, wooden footboard and household type smoky door with chrome profiles
- Additional removable clothes rail in shower (Kreos 7012)
- Housing for second toilet cassette

SYSTEMS

- Performance-optimised convector heating, Laika exclusive, with radiant elements positioned in all areas of the vehicle to guarantee maximum comfort in all conditions with certification obtained in chamber tests
- Programmable heating
- Rear area heating regulation system (Kreos 7009)
- Heat exchanger while running
- State-of-the-art electronic control panel with colour touch screen
- High-tech, 100% LED lighting design system, mostly all dimmerable, with light on/off outlets in different positions
- Fully antifreeze water system
- Pressurised water pump with expansion vessel, high quality single lever metal faucets
- Waste water tank electric drain valve
- Water system easily accessible from the rear garage for every inspection, cleaning and maintenance operation

EQUIPMENT

- Two USB outlets in the rear bedroom, two USB outlets on the drop-down bed and one USB outlet in the living area
- Gas system with anti-crash sensor and automatic cylinder exchanger
- Automatic 20 A battery charger
- "Laika Welcome Home System": the remote control on the key allows you to turn on the outside light, inside light and pull out the step

INTERIOR & COMFORT

- Multi-level indirect lighting in lounge, kitchen and bedroom to create pleasant atmospheres
- Insulated/upholstered ceiling with elegant Laika-Iso-Deluxe material
- Single level flooring without stairs down to the rear area
- Furniture design "Noce Italiano"
- Firenze upholstery with stain protection treatment
- Large wall units with exclusive, high quality mechanical components and indirect interior lighting
- Wall units in kitchen and living room with exclusive "Bianco Carrara" coating, soft-closures
- Indirect, dimmerable lighting over and under wall units
- Wardrobes with integrated lighting, to be switched on independently
- Living room with upholstery and home comforts, adjustable headrests, cushions with removable lining and indirect lighting
- Ergonomic table with moving table top and easy handling
- Two panoramic roof-lights (95x65 cm) in

living room and back bedroom

- TV rack compartment in living room, with retractable and rollaway 32" TV (TV opt)
- Double heated flooring which acts as an insulating chamber
- Large drop-down bed, separated from the windscreen and equipped with support points for maximum stability, slatted frame, portholes, storage shelf, dedicated heating, reading lights, perimeter tent, wooden service ladder
- Lighting with multi-way control: night lights can also be controlled from the sleeping areas
- Upholstered drop-down bed with 8 lighting elements, also two-tone, to be switched on independently
- Entrance with integrated step, complete with doormat, lighting, courtesy handle and two comfortable shoe compartments
- Rear beds with high-comfort spring system (Kreos 7009)
- Ultra thick back "Wellness" anti-bacterial, anti-mite, breathable mattresses with machine washable stretch lining with silver ions
- Adjustable reading lights on all beds
- Fabric and eco-leather removable folding wardrobe (Kreos 7012)

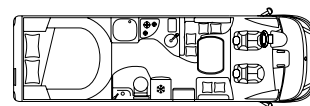

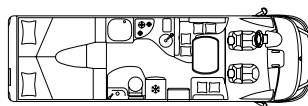

STANDARD SETTINGS FOR:

- Living space speakers
- Tow hitch / Internal wall unit-roof-power supply wiring passage / Rear parking sensors
- Additional waste water tank with level reading
- Reversing camera
- Roof-light with electric turbovent
- TV in living area (hidden position)
- TV in rear area
- Radio

(a) = Sunshades cannot be installed with optional vertical sliding blind.

(b) = With the optional "Grand Chef" kitchen with built-in oven, the standard oven above the fridge is replaced by a compartment with wooden door. Otherwise this compartment can be used for the optional microwave oven.
